Randle H. Gillespie, '80
Charles P. Gilson, '81
Emerson Greenaway, '81
Joan Herz, '82

REPORT OF THE BOARD OF SELECTMEN

During 1979 the Board of Selectmen has carried on normal responsibilities and in addition has had several special considerations. The Board issued 21 permits for new housing, 120 permits for building alterations, and 9 advertising sign permits. Because of a change in Zoning Ordinance the Selectmen now have the added responsibility of Yard Sale permits, with 13 such permits issued during the year.

The Board accepted one new Road, Laurel Road, opening up another area for new housing and adding more responsibility for the Road Agent and the Town Highway crew.

In 1979 103 parcels of property were approved under the guide lines of the Current Use Advisory Board. This constitutes a total of 3,217.36 acres under Current Use, representing an original assessed value of $2,995,010.00. Because of changes in our per centage of valuation to 100% equalized valuation, which is at .76 for 1979, this assessment valuation drops to $222,330.00. This means a revenue loss to the Town in the amount of $48,521.90.

The Board was involved with the Sewer Commission in the presenting of a Bond Issue before the Municipal Bond Bank which was successfully concluded and construction is well under way. The court suit which could have held this up was settled out of court on a negotiated agreement.

The New Hampshire Supreme Court decision on the Sutton suit was settled against the Town on December 12, 1979 and the actual financial details of the settlement have not been completed at this time.

By act of the 1979 Town Meeting a Town Hall Committee was established to supervise the use of the Town Hall. The Board appointed to the committee members of the Refurbishing Committee as its first members. They include Carlton Bradford, Winifred Weig, Mary Foley, Marge DeLaat, Venita Gay and Fred Cole.

Again, the 1979 Town Meeting voted to establish an Historical District Commission. Following out this authority the Selectmen appointed Wade Weathers, Arthur Dorley, Genevieve Millar, Mary Flynn and Douglas Mathewson.

The Board made the following regular appointments during 1979:

Planning Board: Laura Mathewson and Marilyn Andrews

Tree Warden:Robert Fraley

Conservation Commission: Luther Child

Planning Board (alternate) Alan Irwin

Zoning Board of Adjustment: George Cricenti

In 1979 the Town of New London celebrated 200 years. The Board was active in a number of events, which are reported in more detail by the New London Bicentennial Committee. One of the last events of the Bicentennial was the filling of the time capsule with Town documents of 1979 and included a letter, from each menber of the Board of Selectmen, to the Selectmen of the year 2079.

In addition to all these changes the Board of Selectmen held a Special Hearing on the proposal of the Kearsarge Healthcare Center on December 3, 1979. This hearing was designed to allow the public to gather information and ask questions regarding the property for a Rehabilitation Center in New London.

On October 1, 1979 Harry B. Harris resigned as a member of the Board of Selectmen and the two remaining members appointed former Selectman James E. Bewley to fill out the remainder of the term.

Respectfully submitted,

ROBERT G. MacMICHAEL
Chairman
JAMES E. BEWLEY
ALF E. JACOBSON

NOTICE TO PROPERTY OWNERS

All property owners must file by April 15, 1980 an Inventory of Taxable Property and Exemption form with the Board of Selectmen completely filled out. Failure to do so, will result in a penalty of $10.00 to $50.00.

NOTICE TO CURRENT USE APPLICANTS

All renewal applicants must fully complete Current Use Application Forms on Inventory of Taxable Property. All applicants must file a map showing clearly what portions of land are in current use.

All applications and maps must be on file with the Board of Selectmen by April 15, 1980.

THE STATE OF NEW HAMPSHIRE

New London, N.H.

— Town Warrant —

To the inhabitants of the Town of New London in the county of Merrimack, in said State, qualified to vote in Town Affairs:

(L.S.)

You are hereby notified to meet at the Kearsarge Middle School Auditorium in said New London on Tuesday, the eleventh day of March, next at 12:00 o'clock noon to act upon the following subjects:

Art. 1A. To choose all necessary Town Officers for the year ensuing.

B. To ratify, approve and confirm, by ballot vote, the action taken at the Special Town Meeting of January 29, 1980, adopting an amendment to zoning ordinance as recommended by Planning Board; this action being for purpose of validating any possible defect in the posting and attesting of the warrant for said special meeting and in any other requirements for warning special meetings.

NOTE — By law, the meeting must open before voting starts. Therefore, the Meeting and Polls will open at 12:00 noon for the consideration of Article #1, Parts A and B.

At 12:30 the Meeting will recess but the Polls will remain open until 8:00 p.m. The Town Meeting will reconvene at 7:00 p.m. to act upon Articles #2 through #47.

Art. 2. To see if the Town will vote to raise and appropriate the following sums for the ensuing year to defray Town charges:

	1979	1980
Town Officers Salaries	$ 18,500.00	$ 19,000.00

Art. 19. Sewer Maintenance	51,530.00	58,770.00

Art. 20. To see if the Town will vote to raise and appropriate $4,000.00 for maintenance and up-dating of the Tax Map.

Art. 21. To see if the Town will vote to raise and appropriate $4,000.00 for revaluation pickup work on assessments.

Art. 22. To see if the Town will vote to raise and appropriate $2,000.00 for computer service.

Art. 23. To see if the Town will vote to raise and appropriate $6,600.00 for the purchase of a new police cruiser for the Police Department.

Art. 24. To see if the Town will vote to raise and appropriate $30,000.00 for the purchase of a new Backhoe for the Highway Department.

Art. 25. To see if the Town will vote to raise and appropriate $9,000.00 for the purchase of a 1980 one Ton 4 wheel drive Truck for the Highway Department.

Art. 26. To see if the Town will vote to raise and appropriate $5,640.00 for the purchase of a 1980 ½ ton Pick-up for the Highway Department.

Art. 27. To see if the Town will vote to raise and appropriate $1,725.00 for the purchase of a plow for one ton Truck (installed) for the Highway Department.

Art. 28. To see if the Town will vote to raise and appropriate $7,300.00 for the following items for the Fire Department. Protective Clothing, $2,000.00. Hose and Nozzles, $1,000.00. Radios, $2,200.00. Bio-Pak, $650.00. Tool Set, $250.00 and Installation of Standpipes, $1,200.00.

Art. 29. To see if the Town will vote to authorize the Selectmen to spend Highway Subsidy Funds in the amount of $17,429.76 for the improvement of Class IV and V highways. (RSA 241:14)

Art. 30. To see if the Town will vote to authorize the Selectmen to spend Highway Subsidy Funds in the amount of $14,830.55 for the construction or reconstruction of Class IV and V highways. (RSA 241:15)

Art. 31. To see if the Town will vote to authorize the Sewer Commission, until directed to the contrary at a subsequent Town Meeting, to apply, negotiate, and do all other things necessary to obtain Federal, State, or other assistance as may be necessary for continuing construction of sewerage and sewerage treatment facilities as approved in the 1978 Town Meeting.

Art. 32. To see if the Town will vote to appropriate a sum of $120,000.00 for the purpose of continuing construction of sewerage and sewerage treatment facilities as required by the Federal Water Pollution Control Act as amended (33 U.S.C. 1251 et. seg.) which action will qualify the Town for Federal funds. Of the total construction costs, the Town shall raise a sum not to exceed $30,000.00. Said $30,000.00 will be raised either by taxation or by the issuance of Serial Bonds or Notes under and in

compliance with the provisions of the Municipal Finance Act (N.H. RSA 33.1 et. seg. as amended). The Board of Selectmen are authorized to issue and negotiate such bonds or notes as may be necessary and determine the rate of interest therein, and take other such actions as may be necessary to effect the issuance, negotiation, sale and delivery of such bonds as shall be in the best interests of the Town of New London. The Sewer Commission shall be authorized to expend such monies as become available from the Federal Government under the Financial Assistance Program of the Construction Grants section of the Federal Water Pollution Control Act as amended (33 U.S.C. 1251 et. seg.) and pass any vote relating thereto.

Art. 33. To see if the Town will vote to set the base pay for a Selectman at $1,800.00 with $100.00 for each year of service by a Selectman added to the base.

Art. 34. To see if the Town will vote to raise and appropriate $2,000.00 for the purchase of a parcel of land from the Kearsarge Regional School District located immediately adjacent to and behind the New London Fire House. Such parcel is approximately one hundred seventy-five feet (175') wide, the width of the existing lot, and one hundred feet (100') deep. Such land would be held by the Town for future development and to authorize the Board of Selectmen to negotiate with the Kearsarge Regional School District for the purchase of said land.

Art. 35. To see if the Town will vote to raise and appropriate the sum of $17,639.00 for the purchase of a new ambulance. The Selectmen are authorized to receive such funds from Federal, State or private sources which may be made available to offset the cost of the ambulance.

Art. 36. To see if the Town will vote to authorize withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act for use as a setoff against the following debt service:

Purpose:	Ambulance	$16,812.00

Art. 37. To see if the Town will vote to raise and appropriate $1,500.00, to be expended by the Town Hall Committee, for the purchase of a public address and sound system to be installed in the Whipple Memorial Town Hall auditorium.

Art. 38. To see if the Town will vote to authorize the Board of Selectmen to sell Town property located on Tax Map 52/Lot 15 to the heirs of Roland Lawrence, Vernon Hoyt, et al, for the sum of $639.21 and draw the required deed for transfer of said property.

Art. 39. To see if the Town will accept a gift of land located on Tax Map 33/Lot 22 at the corner of Little Sunapee Road and the old Town dump Road, amounting to 1.42 acres, from Barbara Hoban of Laconia, N.H. to be used by the Town of New London and to authorize the Board of Selectmen to receive such deeds to the land as may be required.

Art. 40. To see if the Town will authorize the Selectmen to apply for, receive and expend federal or state grants, which may become available during the course of the year, and also to accept and expend money from any other governmental unit or private source to be used for purposes for which the Town may legally appropriate money; provided: (1) that such grants and other monies do not require the expenditure of other town funds, (2) that a Public Hearing shall be held by the Selectmen prior to the receipt and expenditure of such grants and monies, and (3) that such items shall be exempt from all provisions of RSA 32 relative to limitation and expenditure of town monies, all as provided by RSA 31:95-b.

Art. 41. To see if the Town will vote to improve the Elkins lighting by the installation of street lights at the entrance to the Elkins Loop, on the hill at George Picknell's house and one at the short dam at Pleasant Lake, and to replace the existing dim lights with brighter lights.
(By Petition)

Art. 42. To see if the Town will vote to authorize the access strip presently owned by the Town of New London, leading from South Pleasant Street to the New London Sewer Treatment Plant be declared a Right-of-Way, in accordance with Article XIII, Paragraph 36, of the New London Zoning Ordinance, as amended to March 13, 1979. (By Petition)

Art. 43. To see if the Town will vote to authorize the Board of Selectmen to reserve the present stump dump site on Little Sunapee Road for furture Recreational Development when present use is discontinued.
(Recreation Commission)

Art. 44. To see if the Town will vote to adopt the provisions of RSA 654:34-a permitting applications for changes in party affiliation to be made with the Town Clerk. (By Petition)

Art. 45. To see if the Town will vote to authorize the Board of Selectmen to sell, at current prices, stumpage located on Town property known as the land fill.

Art. 46. To see if the Town will vote to adopt the following ordinance:

"HISTORIC DISTRICT ORDINANCE"

1.0 Purposes: Within the Town of New London, it is the particular purpose of this ordinance to preserve and safeguard the heritage of the municipality by the creation of a district which (a) reflects elements of its cultural, social, economic, political and architectural history; (b) conserves property values in such district; (c) fosters civic beauty; (d) strengthens the historic heritage for the education, pleasure, and welfare of the citizens of the municipality.

1.01 Qualifications: The historic district established hererunder and from time to time amended in the manner prescribed by New Hampshire law shall have one or more or any combination of the following characteristics and qualifications, without limitation as to cultural or chronological period.

(a) Stuctures or sites at which events occur or have occurred that contribute to and are identified with (or significantly represent) the broad cultural, political, economic, agricultural, or social history of New London and the state or nation.

(b) Structures or sites importantly associated with historic parsonages.

(c) Structures or sites importantly associated with historic examples of a great idea or ideal.

(d) Structures or structural remains and sites embodying examples of architectural types or specimens valuable for study of a period, style, or method of building construction, of community organization and living, or of landscaping; or a single notable structure or a single site representing the work of a master builder, master designer, architect, or landscape architect.

1.02 The New London Historic District Ordinance. The Town Meeting action of March 11, 1980, hereby establishes with the Town of New London the following Historic Districts: Main Street from Crocketts Corner to Cloughs Corner, and Old Main Street from Rt. 11 to the intersection of South Pleasant Street extending 250' out from the center line of the roads on each side.

1.03 Historic District Commission. Membership; Qualifications; term; Vacancies. The membership of such commission shall consist of not less

than five nor more than seven members. All members shall be residents of the town of New London, and one shall be a member of the board of selectmen, and one shall be a member of the planning board. In determining the qualification of a member of said commission, the appointing authority shall take into consideration his demonstrated interest and ability to understand, appreciate and promote the purpose of this District. The members of said commission shall be appointed for three-year terms except the initial appointment shall be staggered so that subsequent appointments shall not recur at the same time. Members of said commission shall serve without compensation and shall serve no more than two successive terms. In the event of a vacancy on the commission, interim appointments may be made by the appointing authority to complete the unexpired term of such position.

(a) Organization; Meetings; Rules. Such Commission shall elect annually a chairman, vice-chairman, and secretary from its own membership. In the case of absence, inability to act, or conflict of interest on the part of the associate member, the decisions of the Commission shall be reached by vote of a majority of the whole number of Commission members.

(b) Said Commission for its purposes shall adopt (and may from time to time amend) rules and regulations consistent with the intention of this ordinance and of the state enabling legislation.

(c) Powers and Duties. The New London Historic District Commission may, subject to appropriation by the Town Meeting, employ clerical and technical assistants or consultants, and may accept gifts of money, services, or grants, and may hold or expend the same of all or any of the purposes of the New London Historic District provided that the Town Meeting appropriates or approves such expenditures.

1.1 Uses Permitted: Uses permitted in Historic Districts shall be those set forth in the New London Zoning Ordinance provisions for the district except that within Historic Districts no building or structure shall be erected, reconstructed, altered, restored, moved or demolished unless, upon application in writing, a certificate of approval shall have been issued therefor by the New London Historic District Commission.

1.2 Certificates of Approval: In the Historic District no building permit shall be issued for any purpose or for any alteration, construction, demolition, or use of land or of buildings until a corresponding certificate or approval or appropriateness has been issued by the New London Historic District Commission.

1.2.2 Certificates of Approval shall be applied for in writing to the New London Historic District Commission stating the location, use, nature, and where pertinent, the materials, and texture of the matter or item for which such certificate is sought. Any site plans, building plans, elevations, samples, photographs, sketches, or other information reasonably required by the Commission to determine the "appropriateness" in question shall be made available by the applicant. The Commission shall ensure that the architecture of all new construction or additions or alterations to existing buildings be of colonial, victorian or federal design or of another design that is appropriate for the District.

1.2.3 The Commission may hold a public hearing on the Certificate of Approval in the following manner: Within ten days after the filing of an application for a Certificate of approval or application for demolition, the Commission shall determine the properties deemed by it to be materially affected by such application and shall forthwith cause its secretary to give by mail (postage prepaid) to the applicant and to the owners of all such properties as they appear on the then most recent real estate tax list, not less than ten days' notice of a public hearing before the Commission of such application.

1.2.4 The Historic District Commission, in considering each application, shall consider the appropriateness of proposed features, buildings, stuctures and appurtenant fixtures, location on the lot, and the removal or demolition of any building or structure or appurtenant fixture in the district wherever such features, buildings, structures, and appurtenant fixtures are subject to public view.

The Historic District Commission, in considering the appropriateness of any features, fixtures, and usages mentioned in any such application, shall keep in mind the purpose set forth in 1.01 and shall consider, among other things, the historic and architectural style, the general design arrangement, textures, materials, and color of the building or structure or appurtenant fixtures in question, the relation of such features to similar features of buildings in the immediate surroundings, and the position of such building or structure in relation to the street or public way and to other buildings and structures.

In determining appropriateness, the Commission may request reports and recommendations regarding the feasibility of the applicant's proposal from the planning board, fire chief, building inspector, health officer, and such other administrative officials as may possess information pertinent to the concerns of the Commission. The Commission shall have the power to engage such technical assistance and consultants as may be deemed

necessary to carry out the purpose of this subdivision, subject to appropriation by the Town Meeting.

The Commission shall not make any recommendations or requirements except for purposes of historic preservation and of preventing developments, construction, or changes incongruous with the historic district, its buildings, sites and surroundings.

1.2.5 Granting of Approval Certificated: Within a period of thirty (30) consecutive calendar days after the filing of such application or within such further time as the applicant may in writing allow, the Commission shall determine whether the action or usage proposed will be appropriate in its opinion in the historic district in accordance with the purposes of this section and shall file a certificate of approval or notice of disapproval with the New London building inspector or the duly delegated authority. No building permit shall be issued without a certificate of approval. Failure to file said certificate or notice by the Commission within the specified period of time shall be deemed to constitute approval.

1.2.6 Notwithstanding that the action or usage proposed may be deemed inappropriate, owing to the conditions especially affecting the lot, building, or structure involved (but not affecting the historic district generally) the Commission may find that failure to issue a certificate of appropriateness will involve a peculiar and unusual hardship (physical, financial, or otherwise) to the applicant, and that such certificates may be issued without substantial derogation from the intent and purposes of historic preservation in New London as stated above.

If the Commission determines that a proposed activity is not appropriate, owing to aforesaid conditions, but the failure to issue a certificate will cause substantial hardship, the Commission shall forthwith approve such application snd shall issue to the applicant a certificate of appropriateness in which the Commission may impose conditions.

1.2.7 If the Commission determines that a certificate of appropriateness should not be issued, the reasons for such determination shall be entered in its records, and may include recommendations respecting the proposed construction, re-construction, alteration, moving, or demolition.

1.2.8 Whatever its finding, the Commission shall forthwith notify the applicant and the building inspector of its determination and shall furnish the applicant in writing a copy of the reasons therefor and of its recommendations, if any, as appearing in the records of said Commission.

1.3 Historic District Appeals: Appeals may be taken to the New London Board of Adjustment by any owner or tenant of property wholly or partly within an Historic District, and by any other person, agency, or group if aggrieved by a ruling of the Historic District Commission, The Board of Adjustment shall hear and act upon appeals within the periods of time prescribed by New Hampshire statute.

1.4 Enforcement: In case of violation of the ordinance, the Municipal Officers may institute any appropriate actions or proceeding to prevent such unlawful action or to restrain, correct, or abate such violation.

1.5 Separability: In case any subsection, paragraph, or part of this subdivision be for any reason declared invalid or held unconstitutional by any court of last resort, every other subsection, paragraph, or part shall continue in full force and effect.

NEW LONDON HISTORIC DISTRICT COMMISSION
NEW LONDON, N.H.

Art. 47. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes if deemed necessary by the Selectmen.

Given under our hands and seal this twenty-first day of February in the year of our Lord nineteen hundred and eighty.

ROBERT G. MacMICHAEL
Chairman
JAMES E. BEWELY
ALF E. JACOBSON

A true copy of Warrant — Attest:

DEPARTMENT OF REVENUE ADMINISTRATION

Municipal Services Division

COMPLIANCE OPINION

Board of Selectmen
Town Hall
New London, New Hampshire 03257

We have examined the financial statements of the various funds and account groups of the Town of New London for the year ended December 31,1978, and have issued our report thereon, dated July 23, 1979. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In connection with our examination, we also (1) performed tests of compliance with the Revenue Sharing and Antirecession Fiscal Assistance Acts and regulations as required by Sections II.C.3 of the *Audit and Standards for Revenue Sharing and Antirecession Fiscal Assistance Fund Recipients* (Guide) issued by the Office of Revenue Sharing, U.S. Department of the Treasury, and (2) compared the data on Bureau of Census Form RS-8 with the unaudited records of the Town of New London as required by Sections II.C.4. of the "Guide". Our findings are set forth below:

Except for the information on the Use Report which was not available for examination, we noted no instance of non-compliance with the regulations, and no differences between the data of Bureau of Census Form RS-8, and the records of the Town of New London for the year ended December 31, 1978.

July 23, 1979

REPORT OF THE AUDITOR

To the Citizens of the Town of New London, N.H.

I have examined the financial statements of the Selectmen, Town Treasurer, Tax Collector, Town Clerk, Road Agent, Cemetery Commission, Sewer Commission, Library Treasurer, Trustees of the Trust Funds, and District Court. I have compared their accounts, vouchers and bank statements of funds on deposit, and find these records to be in agreement, and I believe these records to be a true record of the town business for the year ending December 31, 1979.

ANNA MAY EBERHARDT
Auditor

REPORT OF THE TOWN HISTORY AND ARCHIVES COMMITTEE

"New London Has Its 200th Birthday in 1979"

During 1979 New London observed the 200th anniversary of its incorporation as a Town on June 25, 1779. Plans for this effort had been in progress for several years, and the Committee endeavored to provide a worthwhile commemoration. The official program of events included not fewer than forty separate happenings; and every member of the committee worked with wholehearted sincerity to make the anniversary a success.

So numerous were the events and so many hundreds of people were involved that it is impossible briefly even to summarize them. In consequence, a pamphlet-size report has been prepared, to be separately printed. In this report will be a list of all forty programs, several pictures, and the names of many persons who took part in the planning and development of the 200th birthday celebration. It is hoped that this Report will be available at the time of the Town Meeting in March, 1980.

The program which attracted the largest attendance was the historical pageant at the end of June and early in July. Several thousands of citizens and friends were present at the three showings of the pageant, and the fireworks which followed. Too much credit cannot be given to Vice Chairman Harold F. Smith for his direction of this event. Another remarkable accomplishment was the publication entitled *New London Cooks*, conceived and edited by a devoted committee headed by Mrs. Alf Jacobson and Miss Mary D. Haddad. Still another project was the beautiful "Bicentennial Quilt", prepared by a committee under the chairmanship of Mrs. Louise Todd.

Mrs. James E. Bewley was is charge of the "Old-Timers" Reception late in June. Mr. Lamont Moore arranged a unique and outstanding pictorial display in the Old Academy Building for the month of July. The Chamber of Commerce erected two highway signs on roads leading to New London; the public school system had special programs; the Hospital Day parade stressed the bicentennial; the various churches and many civic organizations ably cooperated.

The Town History program continued with the valuable work on old documents and records done by Miss Betsy Tunis. Mr. Carlton F. Barton headed a very important Committee on souvenir medals and other items.

Mrs. Mildred C. Tunis published two historical booklets on certain aspects of Town History. Robert M. Lovely, Jr., and Lewis Simonds were in charge of a most successful "first-day cover" program.

Miss Mary D. Haddad was a 100% efficient secretary to the Anniversary Committe, and Mr. William Kidder, Jr., ably guided our finances. His report is attached below.

Thank you, New London, for all you did to make our Town's 200th Birthday Party memorable!

Respectfully submitted,

J. DUANE SQUIRES, *Chairman*
200th Anniversary Committee

CIVIL DEFENSE REPORT — 1979

This year we installed the generator which will enable the Town Dispatch to have communication in case of power failure. We also purchased new radios to improve communications within the town. The purchase of these items has greatly improved the town's ability to handle emergency situations. There are still other areas that we know need to be improved and during the year ahead we hope to take care of these.

If anyone has any suggestions please feel free to contact me.

Respectfully submitted,

STUART F. SIDMORE, JR.
Director, Civil Defense

ANNUAL REPORT
NEW LONDON CONSERVATION COMMISSION

Purchase of the Chandler Brook Wetland was completed this past summer using a combination of donated and town appropriated funds. Work on the self-guiding trail system continues in an effort to turn this varied natural area into an outdoor classroom.

In addition to regular trail maintenance, the Conservation Commission members and volunteer crews have been working to improve Lyon Brook Trail, which follows the brook from behind the hospital to the Sutton town line. With completion of the new sewer system, Lyon Brook will once again be one of the beauty spots of the town. Thanks to Mr. and Mrs Richard Emerson and Mr. and Mrs. Arthur Gurr the town has right of way along the brook for several thousand feet. The Commission hopes to acquire easements across the remaining two parcels in the coming year.

The bog continues to attract visitors with 1500 signing the guest register this past year. Classes from many of the area schools, Dartmouth geology classes, scout troops and garden clubs from all over the state have made visits to the bog part of their yearly program.

Appreciating the desire of the Fire Department to have their new training facility near the Fire Station, the Commission allowed the building to be erected on a piece of its land behind the recycling shed. This use does not interfere with the conservation of Lyon Brook or the trail.

First steps have been taken to cooperate with John and Sue Clough, who are involved in the State movement to preserve New Hampshire's diminishing farmlands. Along with an inventory of our critical wetlands, as mandated by the State, we attempt to map the most productive agricultural land in New London.

Spring bird walks attract increasingly large groups, with the birders often outnumbering the birds two to one. We are fortunate to have many people with extensive knowledge of wildflowers, animal tracks, geology etc. to suppliment our bird experts.

The Commission is an equal opportunity employer — no wages, productive outdoor work and good fellowship. Anyone wishing to help cut trails should contact one of the members for times and dates.

NEW LONDON CEMETERY COMMISSION

There were 28 interments, (including 4 cremations), during the year 1979 at the following locations: - 14 at Old Main Street Cemetery; 9 at Elkins Cemetery and 5 at West Part Cemetery.

New Burial plots will be laid out during the coming year in the new area adjacent to the southwest corner of Old Main Street Cemetery. The remaining work in this vicinity will include access roads and some tree removal and trimming work.

Since the former Catholic Cemetery has been made part of the Elkins Cemetery it is intended to layout new plots in the remaining vacant area, the sale of which will provide some income for maintenance work. No funds have been available heretofore and it is hoped that owners of some of the existing plots may see fit to contribute to maintenance expenses. Some attempt will be made this coming year to create records, (previously non-existent), of the present occupancy in this area.

To date, it has not become necessary to enlarge West Part Cemetery, but the acquired area adjacent to the eastern boundary will be made available as required.

REPORT OF THE COMMUNITY ACTION PROGRAM BELKNAP — MERRIMACK COUNTIES, INC.

The Kearsarge Valley Community Action Program, located in the Old Graded School in Warner, serves eight towns in this part of Merrimack County: Bradford, Henniker, New London, Newbury, Sutton, Warner, Webster and Wilmot. Again this year Community Action has served your community by getting much needed services to the elderly and low-income families in each of the eight towns.

Services to the elderly include Meals-on-Wheels and the Senior Companion Program for shut-ins; Congregate Meal sites in Henniker, New London-Wilmot, and Warner; and the Rural Transportation bus that gets senior citizens into Concord. Our fuel assistance program last year reached 140 families in the eight towns and we expect to get this much needed help to more people during this year of soaring fuel prices. An Adult Education Grant was awarded to the center back in August and this January we began teaching some basic skills in the areas of parenting, family health, money management, and nutrition.

The money your town appropriates for Community Action goes to run the local center here in Warner. The budget of the Center goes for salaries, travel expenses, office supplies and cost of heat and upkeep of the Old Graded School. The federal government will provide most of the money for the 1980 budget. We have requested a total of $10,800.00 of the $32,000.00 to be provided by the eight towns. What we ask from each town is a percentage of the $10,000.00 based on what percentage of the participants in our programs are from your town.

Our program is designed to encourage commumity participation and involvement. If you would like to know more about our program and/or how you can get involved, please let us know.

Respectfully submitted,

PERRY CAYES
KVCAP Area Director

REPORT OF
THE NEW LONDON CENTRAL DISPATCH

The New London Central Dispatch received 10,584 telephone calls, 3,245 of which were calls for cruiser response.

Our alarm monitoring system now totals 53.

At this time we are dispatching for New London, Wilmot and Newbury police, ambulance and fire department also for Bradford police and ambulance. We are also dispatching for Colby-Sawyer College Security and New London Highway Department.

Again, our thanks for your continued support.

Respectfully submitted,

WALTER A. RENEY
Chief

NEW LONDON INFORMATION BOOTH

The Information Booth located on Main Street is open on July 1st through Labor Day with hours from 10:00a.m. — 4:00 p.m.

A decrease of automobiles and people was due to the gasoline shortage and all stations being closed on Sundays. We did have our usual group of Scientists and Doctors from Gordon Research at Colby-Sawyer College. Many states and European countries are represented. Records showed about 1,200 cars, a few on bicycles and hikers asking for trail maps.

The pink geraniums in the flower boxes are donated by the New London Garden Club. They also trimmed and cut all the shrubs.

We hope the Information Booth will be updated and ready for the 1980 season.

Respectfully submitted,

MURIEL J. MORRISON

REPORT OF THE NEW LONDON DISTRICT COURT

From October 1, 1978 to September 30,1979 the District Court determined the following numer of cases, an approximate increase over the previous year of 12%. This is consistent with the average workload increases of other District Courts:

Motor Vehicle Violations	3,038
Other Violations	15
Misdemeanors	278
Felonies	10
Juveniles	27
Civil Cases	14
Small Claims	304
TOTAL	3,686

The undersigned Justice, appointed by the Governor and Council December 29, 1969, having reached the mandatory Constitutional Limitation age one January 17, 1980, retired as Justice of the New London District Court.

Respectfully submitted,

GEORGE O. SHOVAN
Justice

NEW LONDON FIRE DEPARTMENT

Captain	Douglas Mathewson
1st Lieutenant	James A. Granger
2nd Lieutenant	Paul A. Messer
3rd Lieutenant	Robert S. Brown
4th Lieutenant	Richard W. Rodgers
Clerk	Stephen W. Ensign

Our new town fire station of eight years is fast becoming overcrowded. The need to expand the station for a meeting room to the rear has been apparent now for some time. The residents this year will be asked to support an article to purchase or trade for a section of land directly behind the station from the Kearsarge School District. The purchase of this land to be used in the future for this addition. We ask for your support on this article and trust it is approved.

The construction of the Fire Training Facility at the rear of the Highway Dept got under way late this fall. The project has been stopped for the winter but will continue again in the spring. Twelve thousand dollars of the estimated eighteen thousand dollars has been raised without town funds and it is the hope of the Fire Department to raise the balance this spring to finish the facility without town funds.

The men of the department wish to thank all for your continued support that has been given so generously.

Respectfully submitted,

LAURIDS LAURIDSEN, JR.
Fire Chief

REPORT OF DISTRICT FOREST FIRE CHIEF AND YOUR TOWN FOREST FIRE WARDEN

Prevention and control of forest fires is handled through a cooperative effort between town/city fire organizations and the State Forest Fire Service.

Since 1903, when the first forest fire laws were passed by our Legislature, the State Forester has appointed someone in each municipality as a Forest Fire Warden and charged him with the responsibility of forest fire prevention and control within his town/city. This person may ask the State Forester to appoint as many Deputy Forest Fire Wardens as may be necessary to efficiently carry out his charge.

The State Forester has divided the State into ten forest fire districts with a full-time District Forest Fire Chief in each district. The State organization is charged with assisting the municiple forest fire organization in any way possible.

State personnel conduct fire training schools, assist with forest fire suppression, fire cause investigation, prosecution of fire law violators and forest fire prevention programs. Forest fire suppression equipment is purchased through State bulk Purchasing ability and sold to local forest fire organizations a one-half cost. Excess military property is obtained and turned over to town/city fire departments at no cost to local departments for conversion into fire suppression units. This cooperative arrangement between State and municipality has resulted in one of the best forest fire records in the United States with less than one-half acre of woodland burned in each fire reported.

1979 Forest Fire Statistics

	No. of Fires	No. of Acres
State	1,099	318
District	20	21
Town	1	3

GERALD S. GROSS
District Fire Chief
LAURIDS LAURIDSEN, JR.
Forest Fire Warden

192 fire permits were issued in the Town of New London in 1979. The first forest fire in New London in many years burned three acres on Davis Hill in March, caused by downed Public Service lines. New London and Sunapee Fire Departments battled the blaze for two hours.

My thanks to Deputy Warden Sumner Stanley for issuing fire permits in my absence.

LAURIDS LAURIDSEN, JR.
Town Fire Warden

NEW LONDON HOSPITAL ASSOCIATION, INC.
ANNUAL REPORT OF THE SECRETARY
1979

The year 1979 was a successful one in implementing the Voluntary Effort approach to containing the rise of hospital costs, countering the government's attempt to institute more controls on these costs, which could affect the quality of care our community needs and deserves.

A number of milestones were passed during the year. The renovation and expansion of our X-ray and intensive care facilities, and the rearrangement of the adjacent area, finally received the necessary government approvals, and, at year's end, were nearing completion. This project was successfully financed through a combination of in-house borrowing and a small net gain from operations.

Assistant controller, Marianne Rooke, was promoted to the Controllership when Daniel Miller resigned to take another position. Under her direction, the newly leased computer system has been made instrumental in simplifying and accelerating the business transactions of the hospital.

Due to the excellent efforts of Mr. and Mrs. Brackett Scheffy, co-chairmen of Hospital Day, and their many volunteers, this event netted an all-time high of over $41,000. An innovation this year, the Gene Sarazen Pro-Am Golf Tournament, at Eastman, accounted for over $4,600. of this amount.

An improved newsletter has gone out to New London and surrounding towns during the year, and, through frequent news releases to the local media, we have attempted to acquaint the community with hospital activity.

A new ad hoc committee has been appointed to study the long range goals of the hospital, with particular emphasis on the levels of care the community expects from the hospital. The Long Range Planning Committee is chaired by Donald R. Hayes, M.D. Other members are: Frances Bonardi, R.N., Director of Nursing; Frederick Brown, M.D.; Stephen Ensign, Board of Trustees; Francis Evans, M.D. and Harry M. Lowd, Director (ex officio).

The Advisory Council has been enlarged, and will be most helpful in advising on matters of hospital policy.

A most important event has been the recent granting of full two year accreditation to both the acute hospital and the Extended Care Center by the Joint Commission on Accreditation of Hospitals.

The transition from outside-contracted to in-house managed food service was completed in September when Hope Damon became clinical dietician/food service manager. Under her direction, the food service has steadily improved.

During the year, the nursing staff of the acute hospital has been preparing for the implementation of primary nursing, which occurred in January 1980. Also, during the past year, the number of skilled care beds in the William P. Clough Extended Care Unit was decreased from ten to six, while the intermediate care beds were increased from forty to forty eight.

The New London Hospital maintains educational affiliations with Dartmouth Medical School and George Washington University. Students from Dartmouth, at different phases of their medical education, come to New London for community experience, at the hospital and in the physician's office. Students from George Washington University spend one year in an administrative residency with the hospital's director, as part of their requirement for a master's degree in hospital administration.

Resolutions were presented to Mrs. Kathleen Brooks for her service on the Board of Trustees, as President of the Hospital Auxiliary, and to Harold Welch and Jacques Coleman upon their resignation from the Board, for their many years of dedicated service.

This report would not be complete without acknowledging the fine work of the Hospital Auxiliary, with its many committees carrying out projects during the year, and the work of the Summer Residents' Association. Both of these organizations have contributed generously to the hospital, in time and in money. They are represented on the Board of Trustees by Mrs. Rosamond Hayes and Mrs. Frances Hoke, respectively.

Upon the recommendation of the Credentials Committee, the Medical Staff and the Joint Conference Committee, the following served on the Active Staff during 1979:

Gregory M. Barban, M.D.
Volkar B. Bradley,
Frederick R. Brown, M.D.
Donald Catino, M.D.
John W. Kirk, M.D.
Kathryn S. Lemmon, M.D.
Bruce Lewis, M.D.
M. Ray Marsh, M.D.

Robert J. Chapman, M.D.	John H. Ohler, M.D.
Donald W. Clark, M.D.	William T. Pike, D.M.D.
W. Carl Cooley, M.D.	Joseph C. Stevens, M.D.
Thomas Drake, D.M.D.	Thomas Williams, M.D.
Francis C. Evans, M.D.	John B. Wilson, D.D.S.
Warren L. Franz, M.D.	A. J. Yuskaitis, M.D.
Robert M. Friedlander, M.D.	

The following served on the Board of Trustees during the year 1979.

President	F. Graham McSwiney	New London

AUXILIARY OF THE NEW LONDON HOSPITAL

OFFICERS:

Mrs. Donald R. Hayes, *President*
Mrs. Bradford White, *1st Vice-President*
Mrs. Eric Baynes, *2nd Vice-President*
Mrs. Alfred Herz, *Recording Secretary*
Mrs. Frank Conklin, *Corresponding Secretary*
Mrs. Edwin A. Pike, *Treasurer*
Mrs. Willard B. Warde, *Asst. Treasurer*

It is a real pleasure to begin the Auxiliary report for the year 1978-1979, by announcing that our membership is over 400 for the first time. Al-Though the New London Hospital is far from the largest hospital in the state, I believe we are the largest auxiliary. But more important than size, our Auxiliary has a spirit and enthusiasm which is hard to match. Everyone has done her part willingly and cheerfully, and we have had the cooperation of the Hospital Administration all the way. I have never made a request that has been turned down, or even questioned.

Our monthly meetings have produced a large number of beautiful articles which were offered for sale on Hospital Day. These netted a total of over $5,900.00.We have also furnished hundreds of cancer dressings for the Merrimack Home, and many sterile packs for Central Supply. These impressive quantities were possible because we averaged 70 members at each meeting throughout the winter, - even at the height of the Florida season.

We have maintained our usual programs within the hospital - nourishment program, occupational and physical therapy, etc., - and have added mail service to the patients, this fall. The Candy Striper program was also re-instituted this summer and was most successful. Many thanks are due to Frances Baynes, our Director of Volunteers, who spent many hours reorganizing and tightening up the services.

Our Rummage Sales, under the able chairmanship of Sandy Mortensen and Helen Rodgers, did very well indeed, with the May sale topping last years' by hundreds of dollars. Our other money making project of renting pillows at the Barn Players, brought in over $800.00, the highest amount ever.

Altogether, we feel 1978-79 was a most successful year, and we look forward with enthusiasm to 1979-80, which we know will be just as successful.

Respectfully submitted

President

KEARSARGE VISITING NURSE ASSOCIATION
ANNUAL REPORT OF SERVICES AND ACTIVITIES

The Kearsarge Visiting Nurse Association is a voluntary, non-profit agency certified by Medicare and dedicated to providing health care services and health guidance to residents in your town.

Services include home visits by registered nurses, homemakers, home health aides, physical and occupational therapists.

The agency participates in the promotion of health and prevention of disease through;

Immunization clinics
Adult clinics for hypertension and health screening
Pre-school clinics for dental and child health care
TB testing and follow-up
Early prenatal education program

Referrals for service come primarily from hospitals, physicians and other patients. However, *anyone* can call Kearsarge VNA on his own behalf or for a child, parent, friend or neighbor.

Home vists in 1979 to your town total 2,049.

Your town representatives on the Kearsarge VNA Board of Directors are:

Mrs. Wallace Ewing
Mrs. Angus Brooks

THE NEW LONDON GARDEN CLUB

"Happy Birthday New London" was the theme of a standard flower show on May 25 and 26, 1979, as a gift to the town of New London on the occasion of the Bicentennial of New London, New Hampshire. The exhibits were Artistic tributes to the history of New London, Horticulture, and special exhibits of Civic Beautification, Scholarship, and Education in Wild Flowers and Plant Propagation.

Under the leadership of Mrs. Edward Olney, President, the activities of the Garden Club included the 13th annual Antique Show which supports the scholarships for two deserving students at UNH in the department of Plant Sciences.

Civic and community projects are conducted on a year round basis and many garden club members devote themselves to the following: care of flowers for patients in New London Hospital and William P. Clough Extended Care Center, the May Birthday Party at the Center, and the Flower and Plant Booth on Hospital Day for the benefit of the Hospital. The public buildings of the town are given attention and care by the Garden Club in maintaining plantings, such as the Information Booth, the Post Office, the Public Beaches, the Library, the herb garden at the Historical Society. The wreaths made by the Garden Club in early December for our public buildings and for those in surrounding communities are a tradition. Arrangements for shut-ins are also made and distributed.

The regular meetings were held at St. Andrews Episcopal Church and The First Baptist Church of New London and Our Lady of Fatima. We are grateful to each Church for their hospitality and the use of their facilities. The New London Garden Club is looking forward to continued service by its members to our town.

REPORT OF
THE NEW LONDON POLICE DEPARTMENT

In 1979 your Police Department handled the following activities:

	1979	1978
Arson	1	
Assaults	6	3
Bad Checks	12	3
Burglaries	38	29
Criminal Mischief	42	27
Criminal Trespass	5	7
Drunks	23	
Disorderly Conduct	5	
False report to police officer	1	
Knowingly present controlled drug	10	4
Littering	4	1
Possession of a controlled drug	17	4
Possession of a narcotic	4	
Selling a narcotic	1	
Suicide	1	
Taking without authority	6	3
Tampering with state evidence	1	
Thefts	83	74
Arrests	141	83
Criminal Hours worked	1108	1328
MV Activities:		
Court	662	724
Warnings	1042	995
Accidents	62	80
Accidents with injuries	16	15
Total people injured	20	18
D.E. Tags	166	126
DWI	36	21

The Department again wishes to thank everyone for their continued support.

Respectfully submitted,

Walter A. Reney
Chief

REPORT OF THE PLANNING BOARD

Eighteen meetings in 1979 and the homework necessary for effective meetings kept the Planning Board busy in 1979. There were 12 regular meetings, 2 special meetings and 4 public hearings. A breakdown of the matters considered is as follows:

a. 3 Hearings in regard to Zoning Amendments
b. 15 Subdivisions
c. 3 Annexations
d. 7 Site Plan Reviews
e. 1 Planned Unit Development

The New London Master Plan and Zoning Ordinances were reviewed by the large Review Committee during 1978. At Town Meeting in March 1979 several important changes in the Zoning Ordinance, strengthening the Master Plan, were placed in effect by the voters of the Town. These changes represented the conclusions of the 1978 Review Committee's work. High lights of the changes are briefly as follows:

a. 64% of New London's land area is roughly equally divided between Conservation District and Agricultural and Rural Residential Zone. This least dense area of the Town was preserved without change, with 10 acre spacing per family required in the former and 2 acre in the latter.
b. Approximately 225 acres was changed to require 100% more space per family in the urban residential zone - changing one third of so called R-1 acres to R-2. Appoximately half of this area had already been subdivided. Of course, the changes did not effect existing lots of record.
c. A traffic and parking study was recommended and approved by vote on the ballot at Town Meeting. The Zoning Ordinance was ammended to require off street parking and loading meanwhile.
d. Yard Sales, etc. were regulated as to scope and duration by a new provision voted in the ordinance.

Site Plan Review Regulations dealing with non-residential sites continue being reviewed for improvement and amendment.

During the year, Mrs. Helen C. Preston moved her home away from New London, after 4 years dedicated service on the Planning Board. Mrs . Marilyn Andrews was appointed to fill that vacancy. The Selectmen also named Mr. Alan Irwin to succeed Mrs. Andrews as an alternate member. Mr. Robert MacMichael met with the Planning Board throughout the year as Selectman representative.

The Planning Board acknowledges with deep thanks the service of 40 members of the Special Town Plan Review Committee, as well as the Board itself and the 4 additional members of the Sub-Committee. Their vigorous help added greatly to the success of the effort. The conclusion supported by the Town Meeting vote in March, 1979 was that we do wish to retain New London's rural charm with a reduced rate of growth. At the same time, new and changed uses of our space must be accommodated wisely and fairly within the scope of a sound Town Plan, Zoning Ordinances and Regulations.

Respectfully submitted,

MARSHALL P. HOKE,
Chairman

REPORT OF THE TOWN ROAD AGENT

The year 1979 was normal for the Highway Department with the exception of two events: 1. The heavy rains that washed out Rowell Hill Road, County Road, Forty Acres Road and the road to Clough's sugar house was unusual and 2, the lack of snowfall for the latter part of the year was almost unbelievable. The total amount of snowfall was about four (4) inches, but that was enough to cause slippery roads on several occasions.

Major improvements for the year was the finishing of County Road, the surfacing of Mountain Road and the resurfacing of Lakeside Road. Removing the large boulder from Old Main Street made that area safer.

Cutting brush on Bog Road, Lakeshore Road, Old Main Street and Lakeside Road was included in our regular maintenance as well as resurfacing some of our own dirt roads with crushed gravel. Plans for 1980 are to continue improving our main roads by resurfacing with cold patch and crushed gravel. A note of interest is that we have fifteen (15) miles of gravel roads, thirty-three (33) miles of tarred roads and five hundred seventy five(575) culverts to maintain.

The landfill is doing very well. By excavating thousands of yards of material each year we will be able to extend the use of this area for several more years than originally expected.

Respectfully submitted,

GERALD C. PRESCOTT
Road Agent

NEW LONDON RECREATION COMMISSION

This has been an extremely gratifying year for all of the commissioners. Under the able leadership of our head lifeguard, Lynn Williams, the program ran smoothly. We were also fortunate to have a great group of lifeguards, who worked well with Lynn. We upgraded the entire program this year. We had two emergencies which were handled professionally, by the guards, on duty, at the time. We had to dismiss one guard, for using poor judgement, and we sincerely hope this will never have to be repeated. We also instituted, with financial assistance from Bill and Marilyn Andrews, a snorkling program. Despite weather conditions it was very successful, we are always open to suggestions and recommendations. We are looking we are always open to suggestions and recommendation. We are looking ahead to future growth in our total recreation program, in conjunction with the New London Outing Club. Once again your comments, and suggestions are always welcome.

Respectfully submitted,
RICHARD W. RODGERS, V.M.D.
Chairman
PATRICIA KELSEY,
Treasurer
PEGGY GAY,
Secretary
DR. WESLEY NICHOLS
ANN BEARDSLEY

SEWER COMMISSION REPORT

Early in 1979 approval was given to our application for a Federal Grant for construction of the first phases of the sewer improvements which have been under study, debate and design for the past too many years. The project went out for bid in two parts and on June 25, 1979 Contract #1 was signed with the S. E. MacMillan Construction Company of Bangor, Maine for the interceptor to Sunapee with related pumping and handling facilities, and on July 11, 1979 Contract #2 was signed with Bunkerhill Construction, Inc. of Ashworth, N. H. for collector and pumping facilities in the Checkerberry Lane and High Pine Lane areas.

Completion in February 1981 is called for under the contracts, but unusually favorable conditions from a weather standpoint have placed the entire project well ahead of schedule at years end. Even more ledge than expected has been encountered however, and moderate addition appropriation will be necessary because of this.

At the 1979 Town Meeting, funds were appropriated for a further study to determine the means and extent to which reduction of infiltration of storm water into existing sewers could be accomplished. State and Federal grants for the study were obtained and should be completed in 1980.

At this point it appears that considerable replacement of old lines may be necessary.

Superintendent John Bickford and his assistant Roderic Reyelt have carried out effectively the routine operation and maintenance of our present plant and in addition have assisted the contractors on new construction and infiltration studies.

Respectfully submitted,

H. SUMNER STANLEY
Chairman

TRACY MEMORIAL LIBRARY

Mrs. Marjorie E. Stevenson, head librarian, retired January 1st after working at the library since 1968. She first began working as the part-time assistant but became librarian in 1971. Under her leadership the library's total circulation has increased from 14,808 books, periodicals, and non-book items in 1970 to a total of 28,819 for 1979. This is one of the highest per capita circulations of any library its size in the state.

The members of the board feel fortunate to have had Mrs. Stevenson heading the library staff for the last eight years and offer her our best wishes in her retirement.

Succeeding Mrs. Stevenson is Mrs. Susanne Filkins who has been the assistant librarian for five years. Library assistants include Mrs. Martha Denz and Mrs. Kathleen Timbrell; substitutes are Mrs. Stevenson and Mrs. Lucy Woodward. Several volunteers work in various capacities.

In 1979 the Circulation was the highest to date. The adult and juvenile book circulation was 27,300, while periodicals and other non-book items brought the total circulation to 28,819. The library purchased 629 new books from town appropriations, from memorial gift funds, and from a generous $ 1,500.00 gift from the Friends of Tracy Memorial Library. In addition to the books purchased, the library received 221 gift books from patrons.

The children's program, a vital part of the library's service to the community, included the Summer Reading program, and after-school movie series, and the weekly story hours for preschool children. Volunteers gave many hours of assistance to make these services available.

ZONING BOARD OF ADJUSTMENTS

During 1979 the Zoning Board of Adjustment held open hearings on the following appeals referred by the Selectmen, unless otherwise noted.

May 16 — Town of New London Civil Defense Officer, Stuart Sidmore, Jr., requested a variance to Article VIII, Sect. B2, to build a shelter to cover the emergency generator at the rear of the Town Hall. *Granted.*

May 23 — Laurence and Lorelei Durocher requested a special exception to Article V and XII, Section A-1, to build a tennis court for private use on their Davis Hill property. *Granted.*

May 23 — Lake Sunapee Country Club, Inc. requested a special exception to Article IX to build a condominium development on their property, off Route Eleven. Meeting was adjourned to July 12 for further study.
Granted With Restrictions.

May 31 — Peter Messer requested a variance to Article V, Section C to build a storage building on King Ridge Road. *Granted.*

June 13 — Kearsarge Healthcare, Inc. to hear an appeal from an administrative order in relation to Article V, Section A-1 in regard to the definition of the word hospital. *Appellant supported.*

September 5 — Town of New London requested a special exception to Article VIII and a variance to terms of Article IV, Section B-1 to create a sub-standard lot to build a sewer pumping station thereon. *Granted.*

Respectfully submitted,

ANNA E. RICH
Secretary
